Overview

This file includes the following Milestones required for Phase 2 for our project “Graduation Projects Management System”:

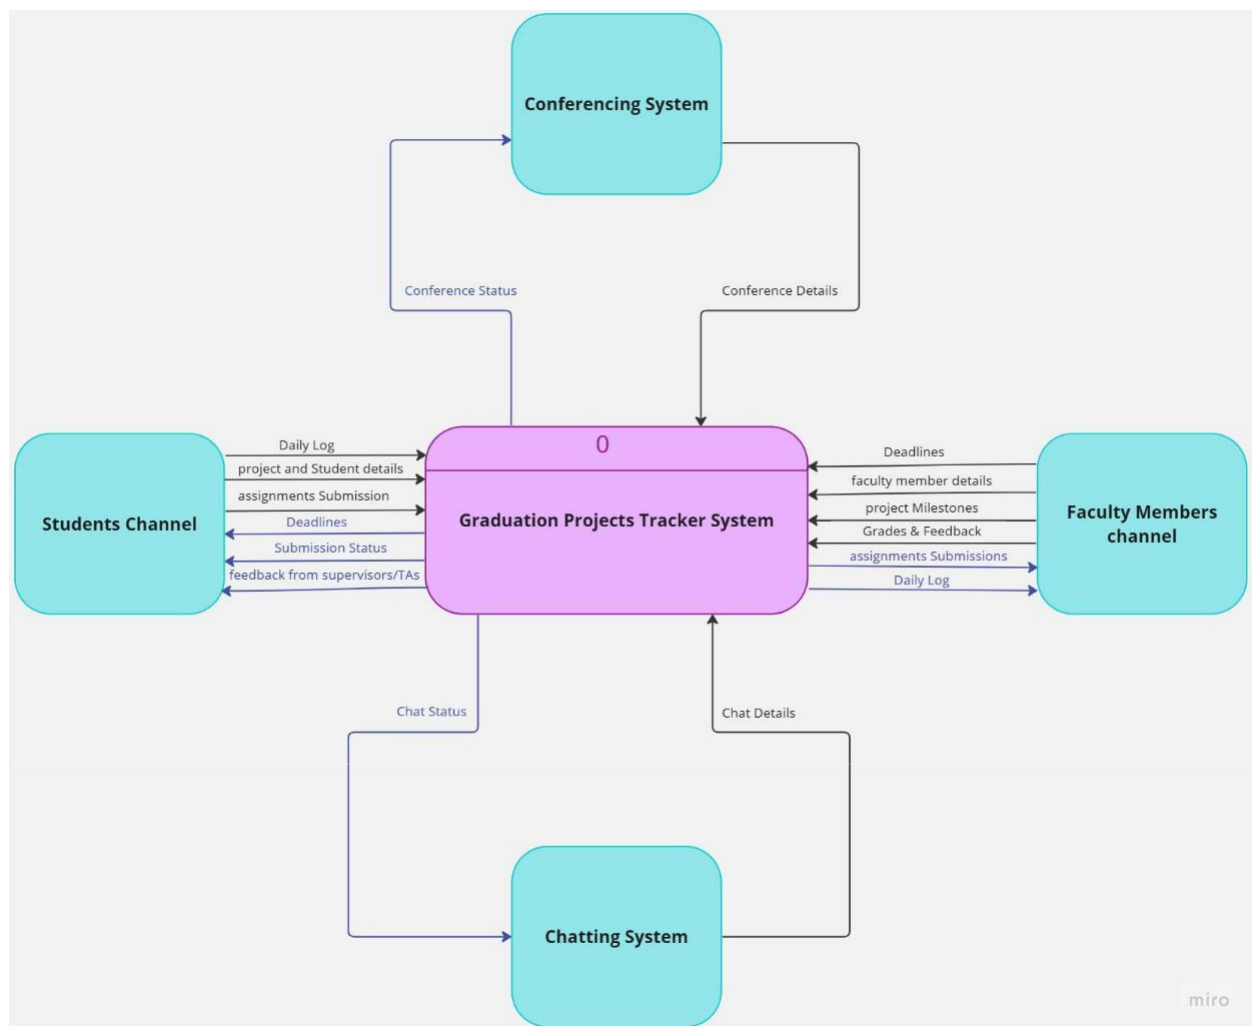

1. Context Diagram	3
2. Data Flow Diagram	4
3. Decision Tree for the activity log function	6
4. Decision Tree for the project proposal function	7
5. Decision Tree for the project proposal function	7
6. DDL Generated by oracle apex	8

Diagram components

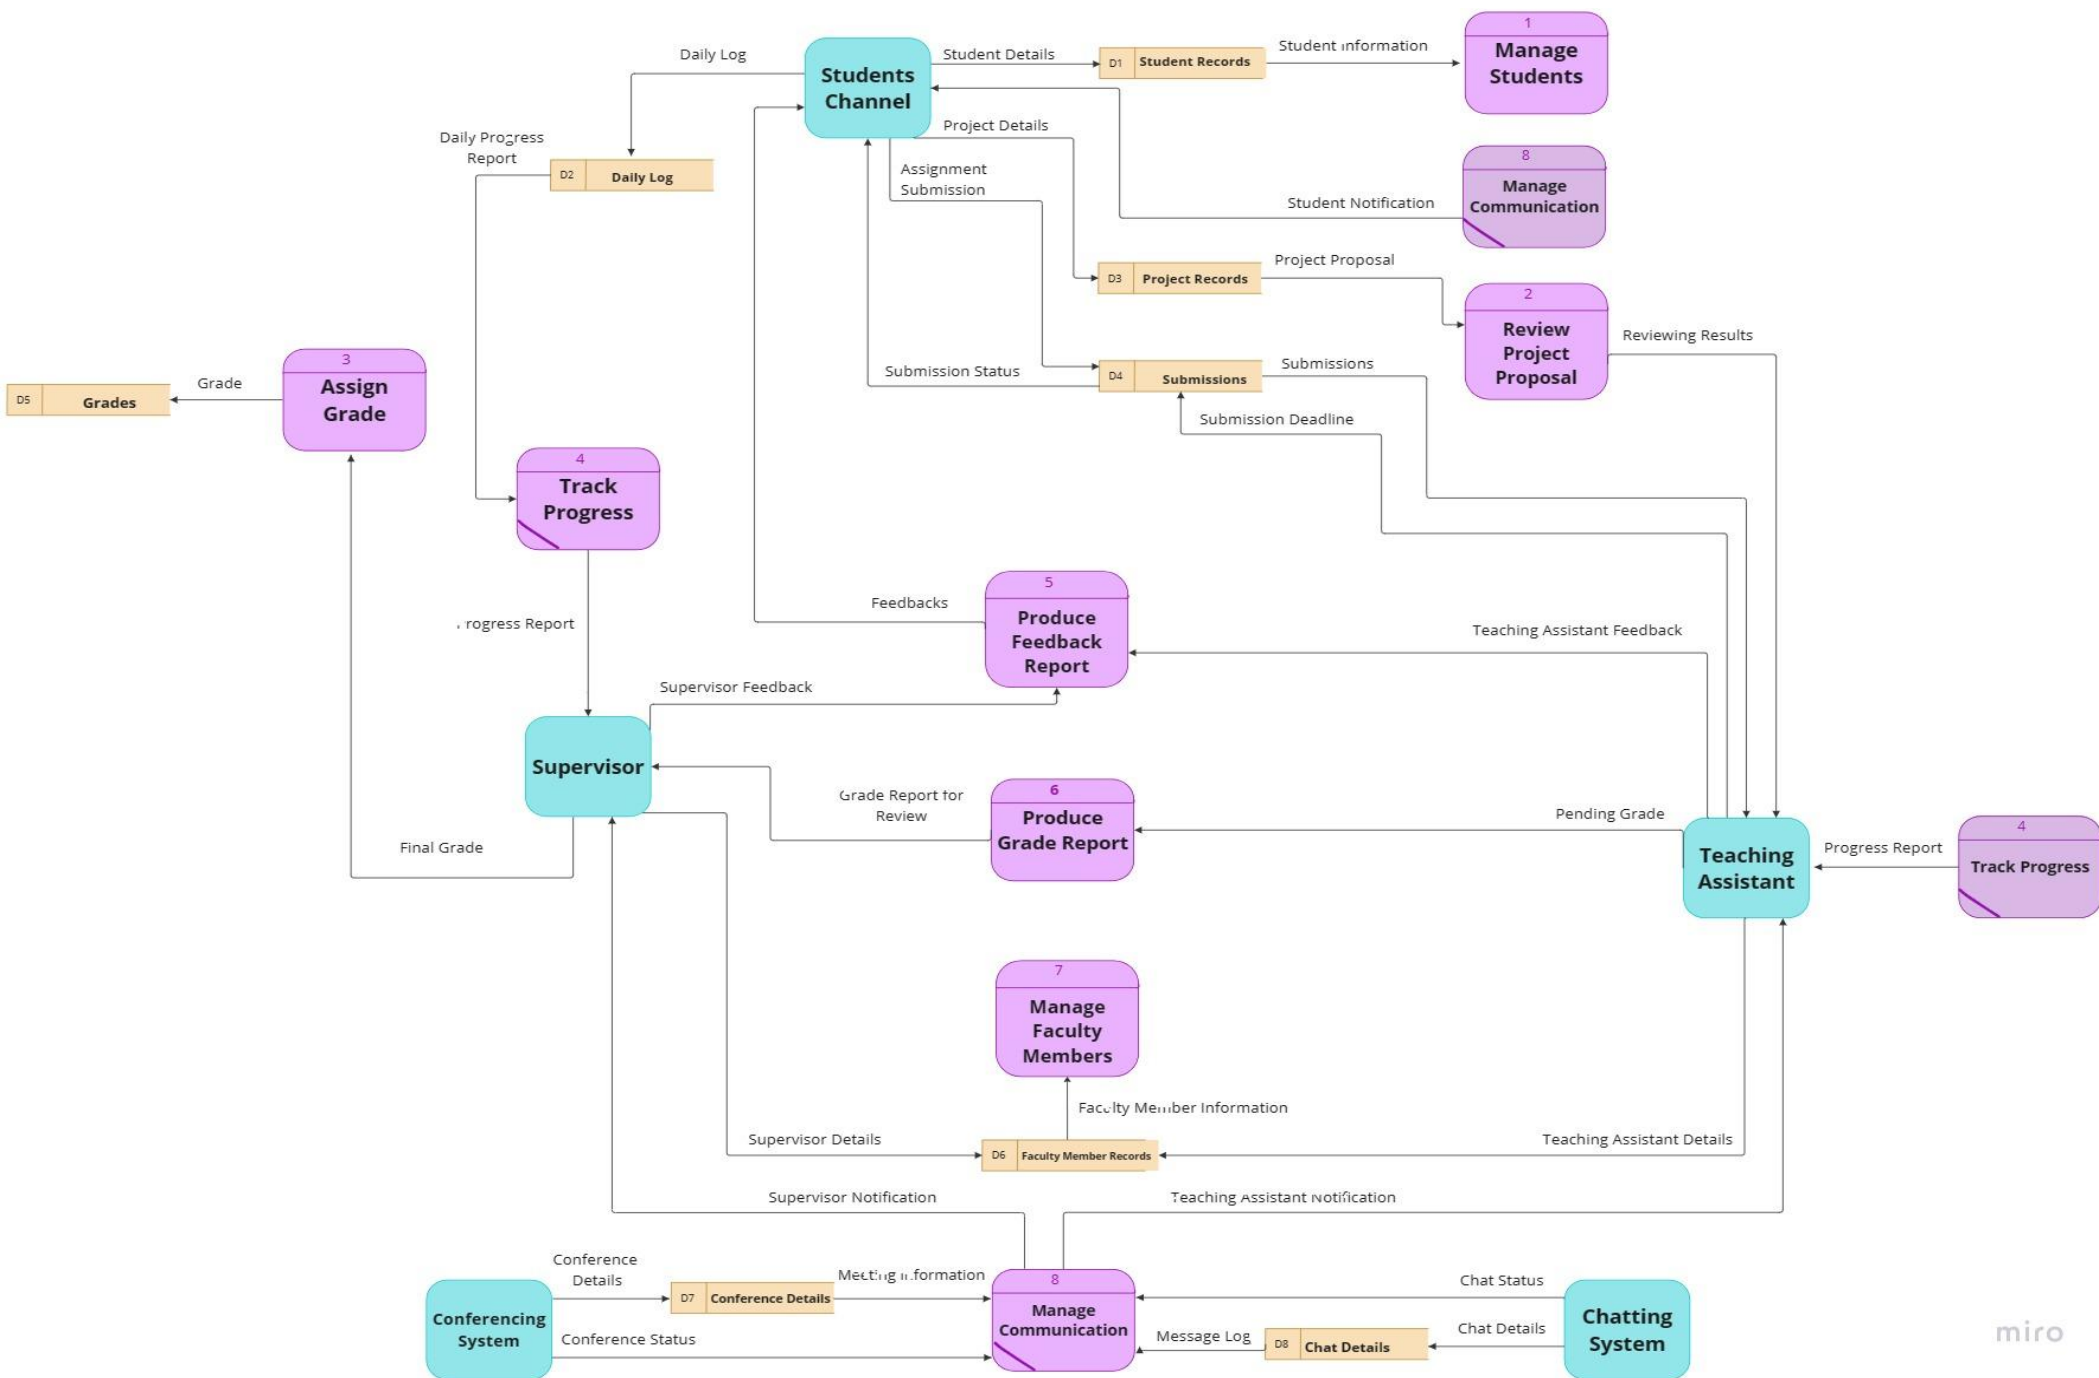

1. Context Diagram

In order to develop a clear understanding of the essential system functions and their interactions with external entities, we created a **Context Diagram** as a *preliminary step* before proceeding with the development of a **Data Flow Diagram**

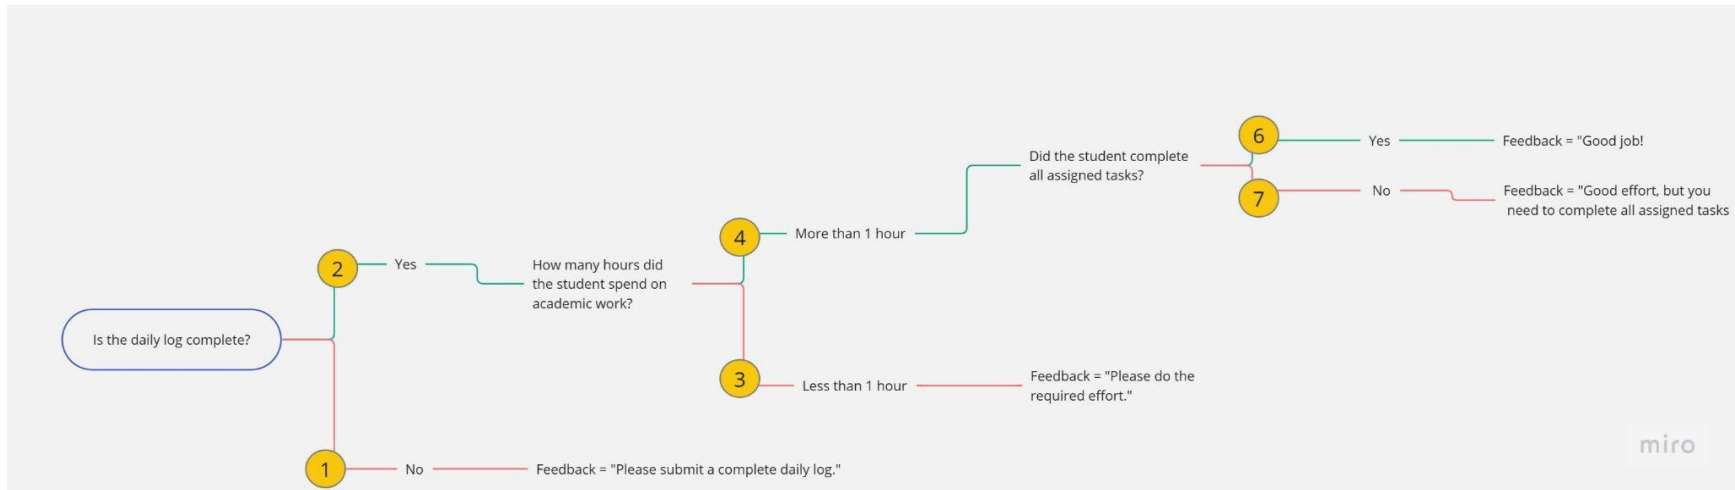

2. Data Flow Diagram
